*May the Peace  
of the  
Holy Family  
be with you  
always.*

The Holy Family models a foundational community of love.

Jesus was born and grew up within a family which was marked by holiness, love, and fidelity to the will of God. Their example calls us to strive to do the same. Today's readings provide an example of ideal relationships among families. Even in the midst of broken relationships, the virtues that Paul names can send all of us on the road to healing and reconciliation.
